Roy

I thought you might be interested in having a copy of the final version of my speech at Harvard on "CIA and the University". Your comments made a special contribution. I was gratified by the reaction at Harvard and also by press coverage.

Please feel free to use the text in any appropriate way. Let's try to set up another meeting (lunch) perhaps during the first week in March.

Sincerely,

Robert M. Gates
Deputy Director for Intelligence

Mort -

On 13 February I gave a speech at Harvard on "CIA and the University". The speech concerned use of academics both as consultants and to do research under contract. Because there may be aspects of our policy and approach on this subject that are of interest to you or may have some bearing on your own practices, I attach a copy of the speech for your information.
